

The logo for Q Sine features a purple 'Q' followed by a yellow sine wave that passes through the letter 'i' in 'Sine'. The 'Sine' part is in a bold, yellow, sans-serif font.

**Q Sine**

**Q Sine - Sign of Quality Power**

Energy Saving and Clean Power Solutions.

# About Q Sine

The values our company holds to be the best in the industry.

Our Mission is to attract and attain customer with Integrated Energy Product Solutions & Services, and the most satisfying ownership experience.

## MISSION

Our Vision is to become most trusted and successful organization in the Energy Field.

## VISION

- Act with Integrity
- Lead with Transparency
- Passion to Win
- Quality and Efficiency
- Exceeds Expectations

## VALUES

## Since We Started

Our performance so far

64+

No. of customers  
across India

162+

No. of products  
shipped

11,785  
A

Total AHF in Amp  
installed

6,500  
kVAr

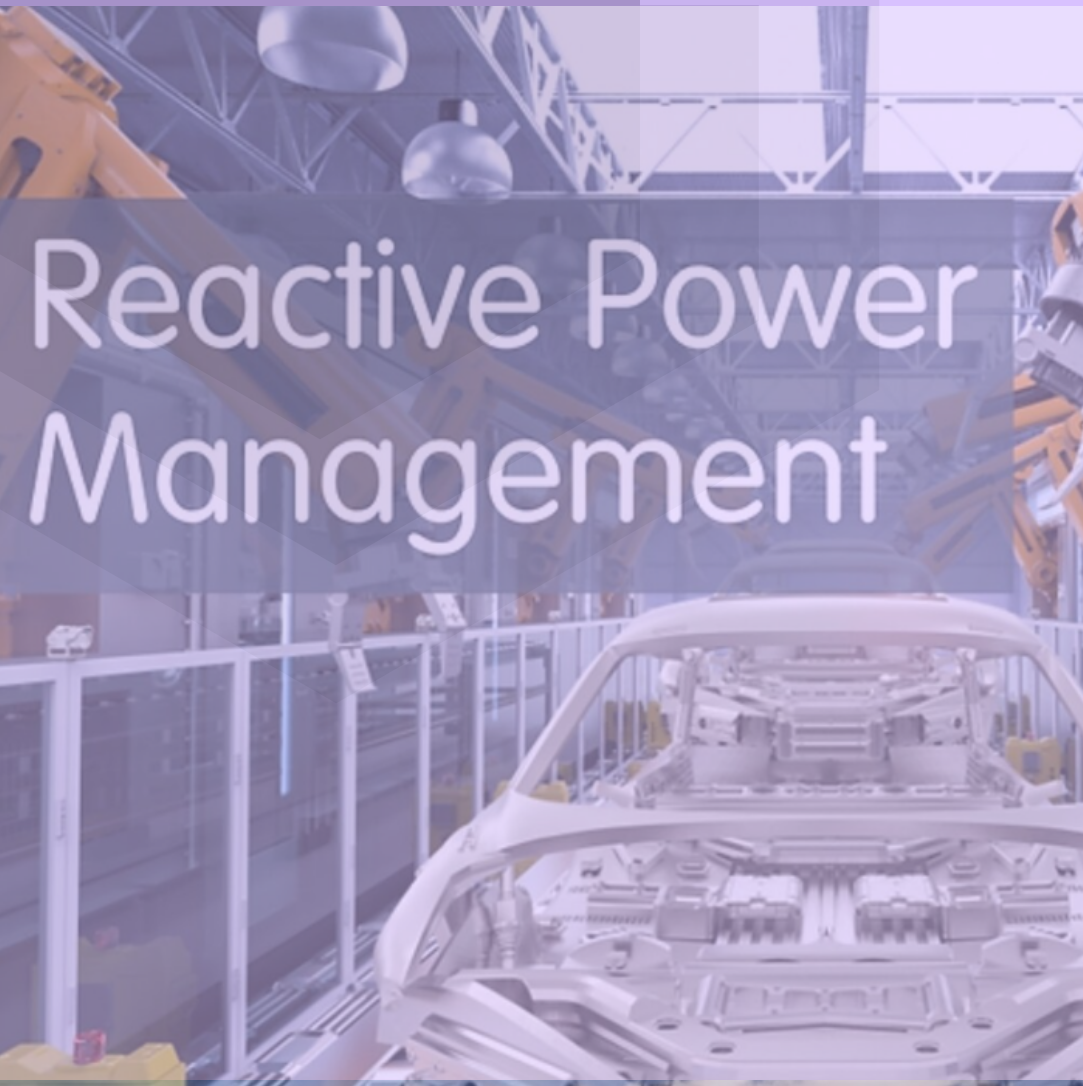

Total SVG in  
kVAr installed

# Our History

WELCOME TO Q SINE ENERGY SOLUTIONS...  
WHERE THE "Q" STANDS FOR THE QUALITY.  
"SINE" THE SHAPE OF AC POWER CURVE.

Q Sine is a collective man year experience of 100 years; formed by set of professionals from diverse vertical, who are working in power electronics field for over three decades. Work experience in Energy Saving and Clean Power solutions to Energy intensive sectors like Manufacturing, IT, Pharma, Power plants, Oil & Gas, Aviation etc.

Reactive Power  
Management

# Q Sine works in 3 verticals

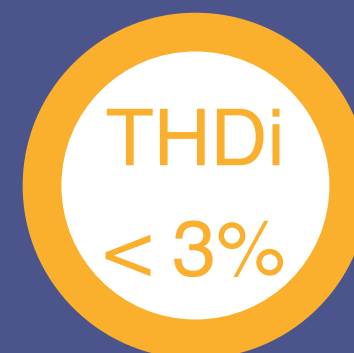

- Reactive Power Management
- Battery Energy Storage Systems
- PV Solar plants

Q Sine offers the solutions which smartly manages the reactive power by making use of State of the Art advanced technology products.

These include IGBT based Active Harmonic Filters (AHF), Static Var Generators (SVG+), Specially designed inverters, Battery Energy Storage System (BESS).

These solutions eliminate many hidden problems, resolves recurring maintenance issues in the plant and also reduces utility bills.

Defining Perfect  
Power Quality

# Industries We Serve

Manufacturing

Automobile

Foundry

Hospitals

Packaging

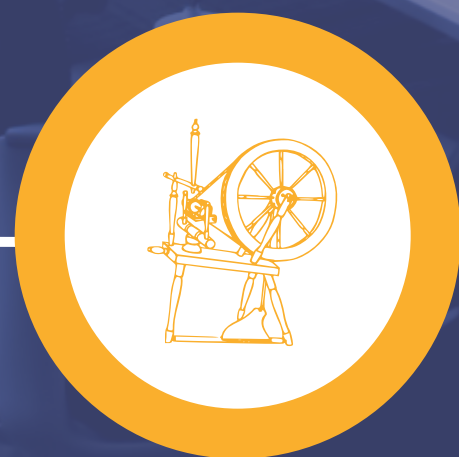

Sugar Mills

Pharma

Datacenters

Textiles

FMCG

Agro Industries

Metal, Mineral &  
Mines

# Q Sine Solutions

## Solutions

Q sine offers power quality enhancement & power continuity solutions

## Services

To maintain the Quality and providing Services till we met the agreed satisfaction.

## Products

Building modern technology products which improves the energy efficiency

# Testimonial

For our pharma manufacturing unit, Q Sine implemented hybrid solution which gave us desired savings.

**FRESENIUS KABI INDIA PVT. LTD.**

*Project Incharge*

Every textile industry faces acute harmonics issues. Q SINE installed 2550A AHF to mitigate our Harmonics issues and compliance to IEEE 519:2014. Now our operations suffer lesser interruption.

**SAGAR MANUFACTURERS PVT. LTD.**

*Project Head*

With the installation of 2 x 600 A Active Harmonic Filters the harmonics level has been reduced to less than 3% complying to IEEE 519:2014 and now we are having stable PF.

Thank you Q Sine.

**SCHAEFFLER INDIA LTD.**

*Electrical Consultant*

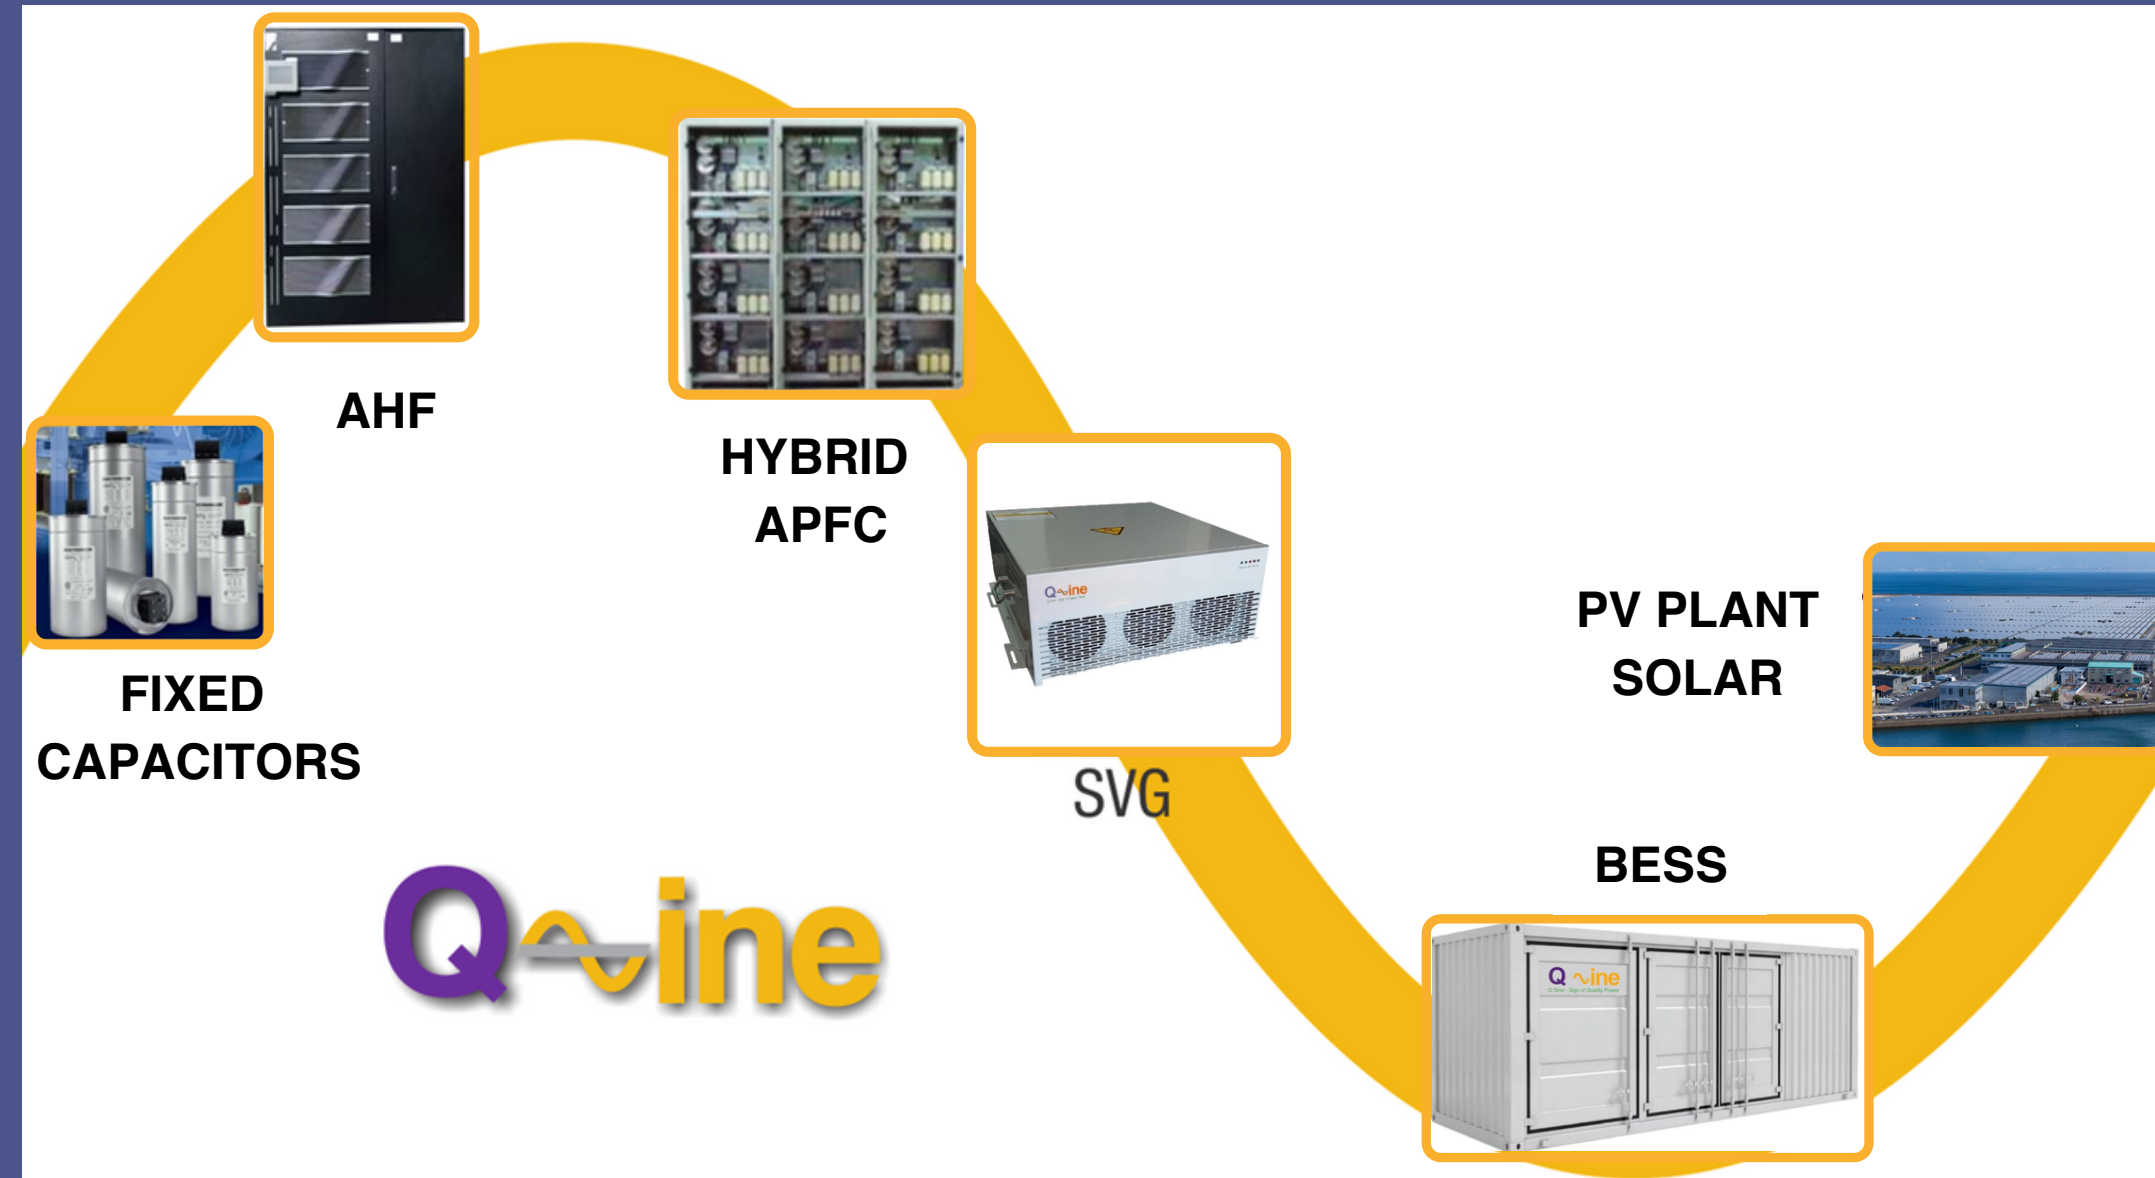

We were looking for savings by addressing harmonics related issues and Q SINE installed latest technology of 3 level Active Harmonic Filters at our plant. We are very happy achieving our savings goal in one Sugar season. Also, Our maintenance team have reported lesser failures.

**SHAHU SUGAR**

*Chief Engineer*
